

ABS/CBACCI Teachers' Workshop, December 14-15, 2011

Workshop Programme

Venue: Kumpula campus, Exactum A118

Wednesday, December 14

12:00-12:15 **Welcoming words**
Markku Kulmala

12:15-15:45 **Problem with studies - Study psychologist perspective**
What prevents students to adapt to learning environment and learn in your programme? Why motivation to studies may drop just before graduation or why it may increase hugely during short and intensive course period with professionals? What kinds of skills are important in successful studying? How should we understand learning producing high quality?
Mikko Inkinen, University of Helsinki, Institute of Behavioural Sciences
- including refreshment break 13:30-14:00

16:00-16:45 **Status report of the ABS programme, questions for the Thursday session**
Antti Lauri

18:30- **Dinner**

Thursday, December 15

9:00-10:30 **ABS/CBACCI meeting: updates on CBACCI and ABS activities**
