 & CLUVEX Project Teams*

Climate Action, Climate Messengers, Soft Skills, Online Learning, MOOCs

JOIN US ! IF YOU WOULD LIKE

- ✓ to educate yourself as a Virtual Exchange (VE) moderator
- ✓ to participate in the development of the methods and concept of VE
- ✓ to participate in VE as a student and become a Climate Messenger

Contact: hanna.k.lappalainen@helsinki.fi, alexander.mahura@helsinki.fi, laura.riuttanen@helsinki.fi

GENERAL AIM

- ✓ Bridge students from European and Neighborhood East universities, from the CLUVEX Partner universities in Finland, Denmark, Ukraine and Armenia
- ✓ Engage students with climate competences and green agenda together with interdisciplinary, green and soft skills
- ✓ Educate 500 students in one VE Week (5 VE Weeks in total)
- ✓ Educate altogether 2500 students as Climate Messengers in 3 years, in 2023-2026

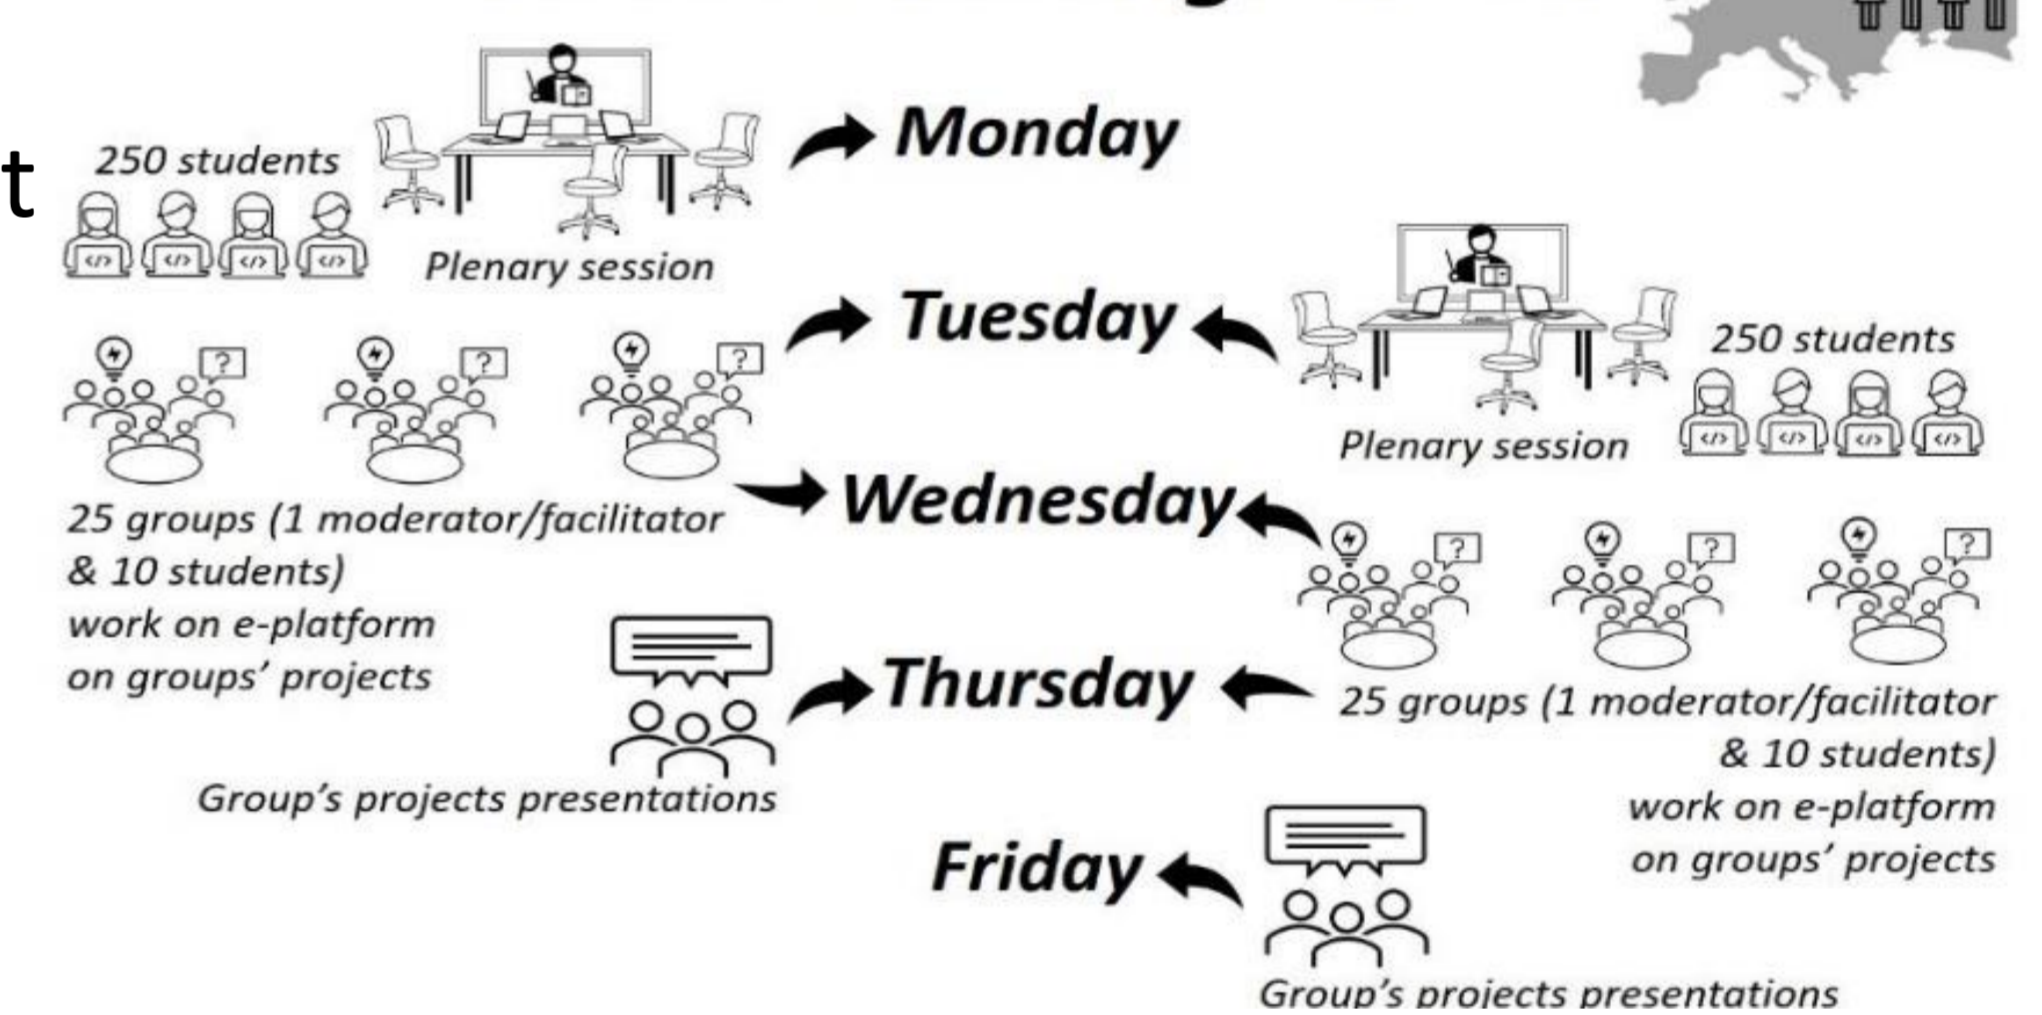

MAIN ACTIVITY

- ✓ Announce 5 VE Calls and organize interactive online workshops called "Virtual Exchange Weeks" (1 credit point) in 2024-2026
- ✓ VE Weeks will take place in Zoom with plenary session(s) and small groups discussing specific topics of climate change e.g., exercises
- ✓ Small groups are guided by educated CLUVEX moderators

Virtual Exchange Call

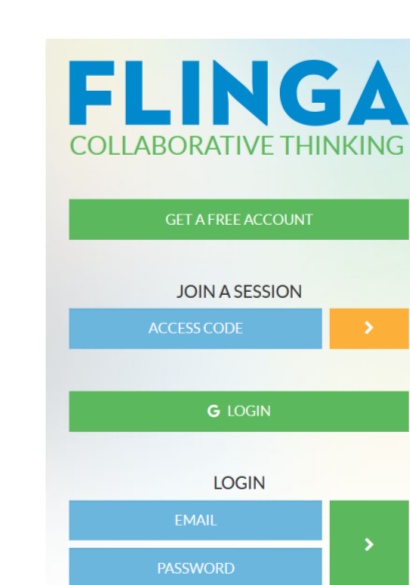

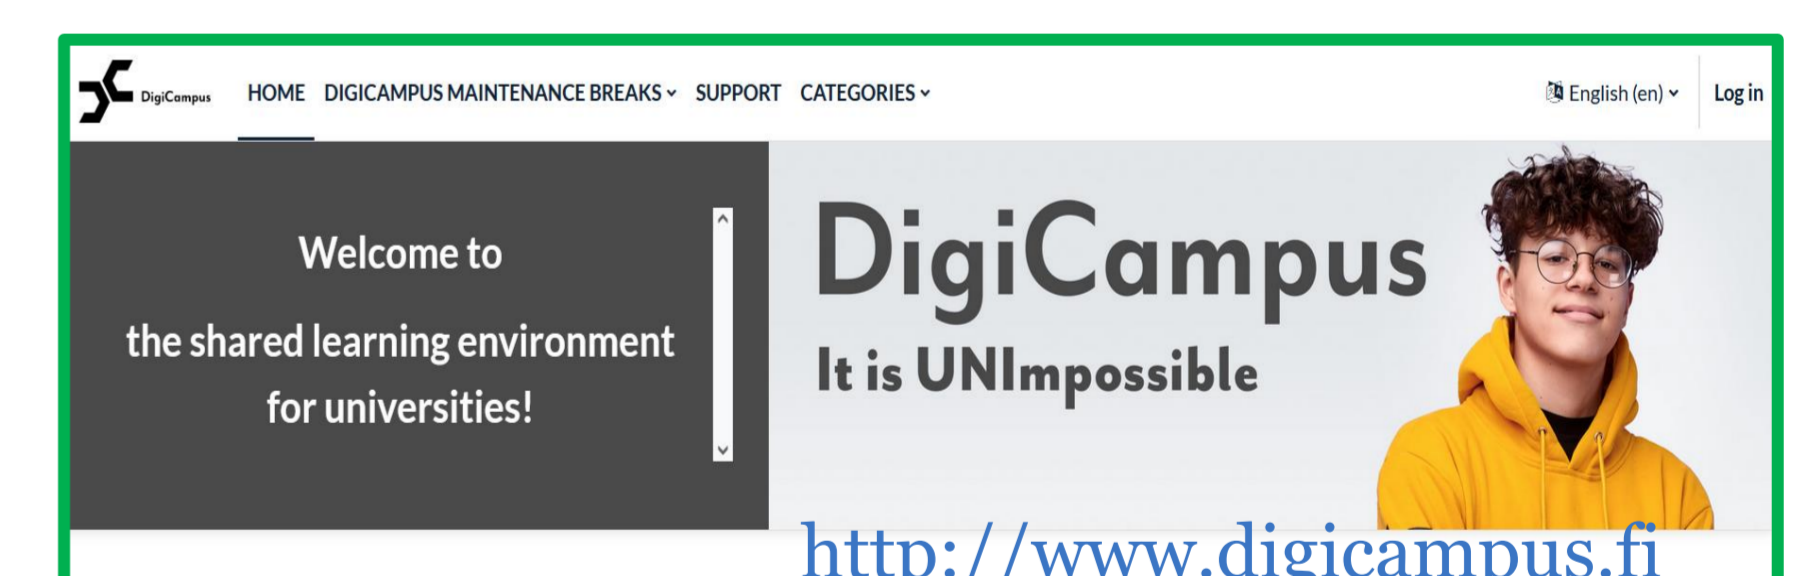

Virtual Exchange Week

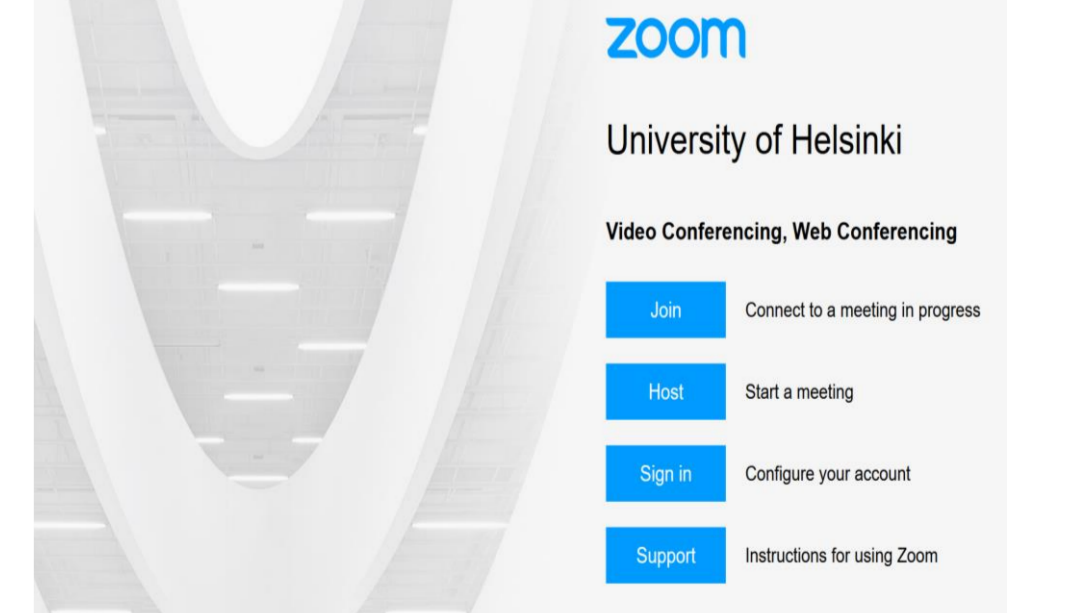

DETAILED PLANS AND DESIGN

Autumn 2023 – Spring 2024

- ✓ Prepare VE Handbooks, Guides, Climate Literature ensemble
- ✓ Officialise 1 credit point for VE Week at the University of Helsinki (as host)
- ✓ Design and carry out the education/ training of moderators (50) e.g., soft skills to support the students, technical skill for online platforms (Zoom, Flinga, DigiCampus)
- ✓ Establish the registration procedures and open the Open University platform for VE Weeks
- ✓ Design the program and group exercise for the students participating in VE Week
- ✓ Launch the 1st Call for VE Week
