CLUVEX (Climate University for Virtual Exchanges) is a multidisciplinary international student exchange week held online. Students from **all disciplines** are welcome regardless of your background knowledge or the stage of your studies.

During VE Week, we will introduce and discuss the latest scientific knowledge on climate change from multidisciplinary perspectives, from natural sciences to society-socio economics and art. You will work with peers from Denmark, Ukraine, Armenia, Finland and other EU and EU neighbourhood countries. If you have considered applying for a traditional **student exchange**, this is the perfect low-threshold opportunity to try interacting in an international environment and learn more about climate change.

WHEN: 14–18 October 2024, from 10:00 to 13:00 (EET, Helsinki time)

PLACE: Online in Zoom

COMPLETION METHOD: online participation on each day (3h per day) and a final report.

AWARD: 1 ECTS credit issued by the University of Helsinki & Climate Messenger Certificate issued by the CLUVEX project
