3. WP3 reported: UH: prepared the template of the “invitation letter for moderators” . You may use and modify the text in your invitations:

Join Us as a Moderator for the Virtual Exchange Group Project!

	<p>The INAR team at the University of Helsinki is leading the "Climate-University-for-virtual-exchange" ERASMUS+ project, set to run from 2023 to 2026. This project aims to foster collaboration and interaction between students, even if they are located far apart. Our partners in this initiative include the University of Copenhagen, Odessa State Environmental University, Taras Shevchenko National University of Kyiv, and Yerevan State University. Notably, we are also committed to supporting Ukrainian university students, especially in times of war.</p> <p>As part of this project, we organize international workshops on Zoom for students, focusing on topics related to climate change and sustainable development. Currently, we are in search of moderators for remote working groups. Moderators will guide discussions in smaller groups and help facilitate active student participation. These group discussions will be conducted in English.</p> <p>We welcome both postgraduate students and researchers from various academic backgrounds to apply as moderators. If you are a university teacher, we can also provide a work training certificate. We will stay in touch with all registered moderators and plan to hold a brief one-day training session in the spring of 2024. During this training, you will gain familiarity with Climate University courses and the virtual exchange concept. Our aim is to have at least some of the students who participate in the virtual exchange join Climate University's distance learning course. So, join us in this exciting endeavor!</p> <p>You can register at this link: xxxxxxxxxxxxxxxxxxxxxxxxxxxx More information: NAMES & e-mails: xxxxxxxxxxxxxxxxxxxxxxxxxxxx -----</p> <p>and the moderator registration form at CLUVEX website; https://www.atm.helsinki.fi/cluvex/?page_id=668 UCPH is looking for moderators; BioArt can open a call for moderators</p> <p>4.
