

ANNOUNCEMENT: VIRTUAL EXCHANGE WEEK (VE Week) FOR STUDENTS

CLUVEX VIRTUAL EXCHANGE (1 ECTS)

23—27 February 2026

Climate University for Virtual Exchanges (CLUVEX;) is an international multidisciplinary online course. CLUVEX introduces and discusses the latest scientific knowledge on climate change from **multidisciplinary perspectives**: natural sciences, social sciences and the arts.

The virtual exchange (VE) is a great opportunity to experiment interacting in **an international environment - especially if you have considered applying for a traditional student exchange**. Participating in the VE Week does not require an advanced knowledge base in natural sciences. More important is to be interested in climate change-related issues and workshopping in an international team. **The VE Week is open to students of all fields coming from Europe and Neighbourhood East countries.**

During the virtual exchange, you will work in small international groups of like-minded students (up to 10 students + 1 moderator). A central part of the virtual exchange is a *Climate Horizon* exercise, framed by interdisciplinary and intercultural discussions on climate change. You will work online on the exercise individually and in your groups. CLUVEX welcomes students from learning institutions in the **Europe and Neighbourhood East countries.**

WHEN: 23—27 February 2026,
from 14:00 to 17:00 (EET, Helsinki time)

PLACE: Online in Zoom

COMPLETION METHOD: online participation on each day (3h per day) and a final report.

AWARD: 1 ECTS credit issued by the University of Helsinki & Climate Messenger Certificate issued by the CLUVEX project.
