

## **International Doctoral School**

**Yerevan, Armenia**

**October 3 – 6, 2022**

The MODEST (Modernization of Doctoral Education in Science and Improvement of Teaching Methodologies) project funded within the frames of the ERASMUS+ invites doctoral students to participate in an International Doctoral school that will be organized in Yerevan on October 3 – 6, 2022 in order to provide students with the knowledge and skills for success in research, academic and scientific innovation.

Doctoral school will be organized at YSU in the sessions, which will be based on the courses developed within the MODEST project. The school will cover following topics:

- Topic 1      Course development art**
- Topic 2      Intercultural aspects in research and daily academic practice**
- Topic 3      Team work skills and practical hints**
- Topic 4      Organization of Doctoral schools – Latvian, Polish and UK practice**
- Topic 5      Digital Literacy for Doctoral Students**
- Topic 6      Research commercialization**

Lectures will be delivered by professors from Armenia, Finland, Latvia, Poland and the United Kingdom.

Participation in the Doctoral school is free of charge.

Working language is English. Students will receive participation certificates.

To apply for participation in the International Doctoral school, please, submit a letter of motivation (up to 500 words) and a CV to [amarkarov@ysu.am](mailto:amarkarov@ysu.am) by **September 23, 2022**.

\*\*\*\*\*

The MODEST project aims to improve the quality of doctoral studies by modernizing the curriculum, optimizing doctoral studies, facilitating the supervision of scientific research and increasing academic mobility.

MODEST is a project with the wider aim of enhancing cooperation between higher education institutions in partner countries in the field of doctoral studies in the European Higher Education Area (EHEA) and the European Research Area (ERA).
